

# Meet the teacher

## Hello there!

### About Me

My name is Ashley Toler, and this will be my eighth year teaching. I have spent five years in kindergarten, and this will be my third year in 2nd grade. Over all, this will be my tenth year here at St. James. My husband and I have been together for fourteen years, and we have been married for eight years. We have five children (ages twelve to twenty four) and one granddaughter! Outside of school you will find me at a baseball field watching my son play ball, or at the dance studio with my daughter. They take up most of my free time, but some things that I enjoy are exercising, hunting, camping, and cooking!

### Welcome

Welcome to 2nd grade here at St. James Elementary. I am so excited to have your child in my class this year! I absolutely love teaching and feel so lucky to be able to help your child grow this year. I have high expectations for each child that comes through my door. I am looking forward to working with you to ensure your child has a successful 2nd grade year. Please, don't hesitate to reach out if you have any questions or concerns!
