

A Note from Administration

My name is Jennifer Carroll. This will be my third year as principal of North Brook Elementary School. I am beginning my 23rd year in education. I was a classroom teacher for 18 years teaching first, second, and third grades. I then served as an assistant principal for two years. I am proud to be a part of North Brook and its community...Once a Blue Jay, Always a Blue Jay.

My name is Sheila Wright. This will be my second year as the assistant principal at North Brook. This is my 19th year in education. I taught third and fourth grades before going into administration last year. I look forward to continuing to work with the North Brook community to make a difference in the lives of our students.
