2024 Lincolnton Middle School Wildcat Prowl

Friday, April 19th 2024 Lincolnton Middle School 2361 Startown Road, Lincolnton

Dear Friends of Lincolnton Middle School,

We would appreciate your support of our students and school community by aligning your business with our annual Wildcat Prowl 5K event. Last year we were able to have another successful event in our tenth year, and we are excited to make our eleventh year an even greater success.

All proceeds will go to enhance our school environment and student learning at Lincolnton Middle School. This year we will be raising money to continue to improve and update our media center equipment including tables and chairs for our students. Along with purchasing equipment for our staff to use to benefit student learning and improve our outdated technologies.

We are excited for our 11th annual event and look forward to another successful 5K. In our tenth year, we had over 100 registered runners and volunteers. With your support through monetary donations and/or supplies, we will be able to expand our event and give your business or service direct exposure to members of our community.

Please consider one of the following options to support our great event and get your business name out in the community.
