

# Visual Arts Class Offerings

## Drawing 1 Standard & Honors

Remedial class, teaches all the basics, a great place to start your art career!! (The honors section will complete a semester-long project.)

## Drawing 2 Standard & Honors

Builds on concepts taught in drawing1 classes. Students perfect their use of media and techniques. Must have Drawing 1 or art k-8 and a teacher recommendation to skip drawing 1 classes. (The honors section will complete a semester-long project.)

## Painting 1 Honors

Students begin to explore their personal voice and aesthetic, perfecting their use of media and techniques. Prerequisites of Drawing 2 and Drawing 1 or the equivalent.

## Painting 2 Honors

Students begin the first half of AP Studio by brainstorming and experimenting with a Sustained Investigation, with the goal of creating a 15 image portfolio. Prerequisite of Drawing 1 or equivalent, Drawing 2, and Painting 1.

---

## AP 2D, 3D Design or Drawing

Students will create a Sustained Investigation that concludes in 10-15 artworks with 5 selected works that highlight their experimentation and showcase their knowledge of art materials. Prerequisite 3-4 art classes.
