

MEET THE TEACHER

Mrs. Cook

Hello, my name is Holly Cook and we will be on the camping trails together this year to discover all the adventures Kindergarten has in store for us. During my teaching career, I have taught both Kindergarten and First grade and I cannot wait to begin my 23rd year of teaching with you. Mrs. Atkinson (Mrs. A as the kids call her) will also be in our classroom and she is ecstatic to meet you as well. Our year is going to be filled with exploration, growth and excitement.

Alongside of being a teacher, I am a Mommy to three amazing girls (Ava-11, Lana-8 and Lyla-6) and a wife to Mr. Jeff. You will hear lots of stories about my family as I come to know lots of stores about yours. My family loves to spend time together. We enjoy traveling, taking golf cart rides, spending time at the pool and just being together. Let the yearlong camp adventures begin!!!
