

# MEET THE TEACHER

Mrs. Lindstedt

## Dear Families,

I can't wait to meet all of you in a few weeks! I love teaching and I expect great things from each student. Making learning fun is what makes it memorable! In our class we utilize a variety of teaching styles-whole group, small group, one on one and some self-discovery. Students are encouraged to explore and ask questions. In our Kindergarten classroom, learning is very hands on and developmentally appropriate. This year will be one of huge growth for your child and it's such a pleasure to watch them blossom!

## About Me

My name is Michelle Lindstedt and this will be my 13<sup>th</sup> year of teaching at St. James Elementary! I've taught Kindergarten and First Grade. I'm a graduate of UNC-Charlotte and a native "Michigander". I'm married to my husband Josh and we are the proud parents of two sweet little boys-Henry (2 ½) and Graham (1). When I'm not at school, my toddlers definitely keep me busy but I do still find time to travel, spend time with family and serve in my church. I love music and play the piano and sing in our church choir. Music is always playing in our classroom. Our school theme this year is all about travel and it's probably my favorite yet!
