

Welcome to Music with Mrs. Stoddard

My Passion 🎵

I LOVE Music! I love teaching your kids music even more! I have seen music transcend the cares and problems of the world, and I want your students to feel not just good but great when they enter my room. I love seeing students transform and grow because of music. Each one is priceless so thank you for sharing them with me!

A little Bit about Me 🎵

I was born and raised in Wyoming. I spent my summers fishing and my winters on a snowmobile. I have been married for 17 years to my best friend and have four children ranging from high school to kindergarten. We have lived in Denver, NC for 8 years and I consider myself a mix of western cowgirl and southern charm. I love MANY things including traveling, books (reading, writing, and collecting), history, cooking and canning (I'm a little old fashioned), basketball, hiking, watching old movies, music (of course) and sleeping in!

Education 🎵

I graduated in Elementary Education from BYU-Idaho in 2004. After 14 years of staying home with my kids, I returned as a music teacher to St. James in 2018. This will be my second year teaching music!

Favorites 🎵

Color: Yellow Season: Winter Fruit: Peaches and Lemons Drink: Lemonade or Cran-Apple Book: The Witch of Blackbird Pond and The Giver Candy: Dove Chocolate Store: Amazon Quick Eats: Panera Bread/Chick-fil-A
