

NORTH LINCOLN MIDDLE SCHOOL CAR RIDER PROCEDURES

Please pull all the way up and unload 8 cars. Do not wait to let your child out at the front door as this prevents the line from moving. When exiting, it is safer to turn right. We ask that you remember our Rachel's Challenge reminders...Be kind today...as we are all trying to safely drop off or pick up our children. Do not let students out of the cars, except at the 8 marked spots. Thank you!
