Join LCS-PublicWifi

Location: Parking lot near building (side of fields)

Welcome to LCS-PublicWifi

This network is provided as a free and open resource for visitors. It should be solely used for educational purposes. This network is not encrypted. It is setup like the network that you will find at most hotels and public places. Information that traverses this network is not protected. You are using it at your own risk. You should not send financial, personal, or other vital information across this network as it can be captured by other users on the network. Lincoln County Schools is not responsible for loss of data, theft, or other inappropriate uses of this network. Only ports allowed are 80,8080,443.
