Additional Agenda Items

Action Taken:

Discussed New cell phone policy and discussed keeping cell phones during lunch or not. Open and robust discussion. Everyone said to keep the policy the same for lunch and hallway. Enforcing having the phones out of sight (including smart watches) was discussed and agreed upon that we need to be consistent on this policy at the beginning of the school year. Out of sight and off.

Discussed the policy on not being able to return with the cell phone. We will need to look at the handbook and change it to meet the policy.

Discussed homeroom plans. Trying to do one each month and 2 in September (voting for student council and homecoming). 14th and the 23rd. Add discussing the club names and types to the 14th meeting. Creating a flag for your homeroom was discussed. Posting it on your door and possibly turning it into a competition. The purpose of this is to create rapport and a community. Longer homeroom on the 14th and a shorter one on the 23rd. Do the voting on paper. October 4th homeroom would be to do the voting for

the homecoming queen. Discussed always looking at the red and grey, plus checking emails, and websites for homeroom time. Skipping November? Discussed doing a FAFSA homeroom where students created their accounts, Doing a December homeroom, going over the exam schedule another check, and connect (December 6th)but we need January 9th homeroom too.
