

Race City Steel - NLHS Stadium Announcement

09/13/2022 - We are very excited to announce that Race City Steel has become an official partner, and primary sponsor of the all new state of the art NLHS Stadium. “This partnership is something that we think is really going to showcase what we can do as a company, and most importantly make NLHS and its facilities a place where student athletes can have a first rate experience.” Damon Lusk, Owner and President.

Chip Cathey, NLHS Principal, "Our partnership with Race City Steel is going to be huge for our athletes and our fans. They are a top-notch organization with an eye for detail and a nose for success. We are delighted to partner with them as our stadium sponsor and look forward to growing the relationship between Race City Steel and North Lincoln High School."

Race City Steel, located in Denver, NC has been a fixture in the community for 15+ years, and has also become the “go to” supplier for local business and corporations that rely on the service and products that they offer. Race City Steel has a wide variety of products and services that they offer, including a full-line of steel and aluminum products, I-Beams, Channels, Rebar, Stainless Steel, 4130, DOM and many other items.

With 3 locations, serving NC and SC, and over 80,000 SQ FT of material under roof, RCS has what your looking for. Our walk-In, family oriented, and service driven team of highly skilled team members is ready to show local companies how we can help them with all of their material needs. RCS also has offers Laser Cutting services, Next Day Delivery, and Walk-Ins are always welcome to come in anytime.

“We are big sports fans, and we want to do all we can to bring multiple Championships to this City, and this school,” stated Lusk.
