COUNSELING SERVICES

PHILOSOPHY

The counselors of West Lincoln High School believe that each student is unique – an individual with different abilities, skills, and desires. The counseling staff believes that: Guidance and Counseling is an integral part of the total school program; it is for all students and the school staff; Guidance and Counseling is a continuous process throughout the school career of a pupil and Guidance and Counseling promotes self-understanding, motivation, aspiration, and wise decision-making.

PROCEDURES

- A student should come to the Counseling Office only after setting up an appointment with a counselor.
- These appointments may be made before school, after school for the next day, during the student's lunch period with a hall pass, or between classes.
- A student who has made an appointment must first report to his/her assigned teacher and with the teacher's permission may come to the Guidance Office.
- Emergencies will be handled on an individual basis.
- Every effort will be made on the part of the counselors to schedule a student when he/she needs to come.

Policy Code 1710/4021/7230: Prohibition Against Discrimination, Harassment and Bullying
The board acknowledges the dignity and worth of all students and employees and strives to create a safe,

orderly, caring and inviting school environment to facilitate student learning and achievement. The board will not tolerate any form of unlawful discrimination, harassment or bullying in any of its educational or employment activities and the board expressly forbids this type of activity.

For purposes of this policy, the following definitions apply:

Discrimination may be intentional or unintentional.
- **Harassment or bullying behavior** is any pattern of gestures, written, electronic or verbal communications, any physical act or any threatening communication that:
 - (1) places a student or school employee in actual and reasonable fear of harm to his or her person or damage to his or her property; or
 - (2) creates or is certain to create a hostile environment by substantially interfering with or impairing a student's educational performance, opportunities or benefits.**Harassment and bullying include**, but are not limited to, behavior described above that is reasonably perceived as being motivated by any actual or perceived differentiating characteristic or motivated by an individual's association with a person who has or is perceived to have a differentiating characteristic, such as race, color, religion, ancestry, national origin, gender, socioeconomic status, academic status, gender identity, physical appearance, sexual orientation, or mental, physical, developmental or sensory disability.

Examples of behavior that may constitute bullying or harassment include, but are not limited to, verbal taunts, name-calling and put-downs, epithets, derogatory comments or slurs, lewd propositions, exclusion from peer groups, extortion of money or possessions, implied or stated threats, assault, impeding or blocking movement, offensive touching or any physical interference with normal work or movement, and visual insults, such as derogatory posters or cartoons. Random Drug Testing

"The Lincoln County Board of Education has revised Policy 3623/4343 to begin randomly drug testing student athletes. In order to be able to participate in athletics the student and parent will need to sign the attached consent form. Student names are randomly chosen and will be tested at the school site, during the school day. Any student-athlete that tests positive for drugs will be suspended immediately from athletic participation for 90 days."

Consent Form - Participation in the Drug-Testing Program

This form must be completed and signed by each high school student-athlete and his/her parent or legal guardian. This form is required for all students who participate in any athletic competition, to include cheerleading. Eligibility for participation will not be granted until this form has been signed and returned to the student's school.

Student-Athlete's Name _____ Sex _____

School _____ Grade Level _____

Drug-Testing Consent

By signing this form, I, the undersigned student and parent, affirm that I am aware of the Lincoln County Board of Education's drug testing regulations and procedures, which requires the following for any student-athlete who is found to have any tested drug or substance:

- A first positive test may result in a ninety (90) day period of ineligibility from all student athletics. Prior to returning to athletic participation, the student must provide a negative drug test result. The cost of the follow-up drug test is the responsibility of the student.
- A second positive test may result in a 365 day period of ineligibility from all student athletics. Prior to returning to athletic participation, the student must provide a negative drug test result. The cost of the follow-up drug test is the responsibility of the student.
- A third positive test may result in permanent ineligibility for the remainder of the student's career.

I hereby give consent to be tested by an independent, licensed drug-test administrator for the presence of illegal drugs and controlled substances if I am randomly selected, or if there is a reasonable suspicion or cause for a test, or a follow-up test is required for participation in the athletic program. I consent to giving a urine specimen or saliva test for testing upon request by the drug-test administrator. I understand that a refusal to be tested, or any attempt to tamper with the test sample will result in a declaration of a positive test. I agree to follow the drug testing procedure that has been set forth in Board Policy 3623-R/4343-R. I hereby authorize the licensed physician to release the results of my test to the student's parent/guardian and the Superintendent or her designee, who shall notify the student's principal, athletic director and coach. I waive any privilege in connection with the results of the drug test. I understand that the drug-test results will not be shared with law enforcement and that the outcome of the drug-test will not affect my academic career. PARKING OFFENSES

Leaving campus without permission will result in the loss of the parking permit for two weeks.

Student parking is a privilege and any violation of the parking policy will result in temporary and possibly permanent revocation/suspension of parking privileges and/or the towing of the offender's vehicle. Examples of these offenses include: Parking in Unassigned Areas, Smoking, Reckless Driving, Loitering, and Parking without a Permit. No refunds will be made of parking permit fees if parking privileges are revoked.

In keeping with the Safe Schools Act, the administration reserves the right to search any vehicle on our campus. Parking Permits can be revoked or suspended at the administration's discretion.

IN-SCHOOL SUSPENSION

ISS is the room that houses students who have not followed responsible school behavior. There will be **no talking** while in ISS. Students will **not** be allowed to do anything other than sit or read materials provided. All books and belongings must be left at the designated area. Students are not allowed to leave ISS during assigned time for any reason other than a directive from the office. Students will **not be released before the end of a class period.**

INITIAL ENTRY

When a student arrives on campus for any reason after the tardy bell has rung, he/she will report directly to **the office**. If the student has an official note due to either dental, medical, or court-related appointment, he/she will be allowed to report to class. All others arriving tardy at school for the first time that day will be subject to consequences as outlined in the tardy policy. Students arriving tardy with legitimate excuses will report to the office and then be admitted to class in compliance with the following guidelines.

A student has arrived "on campus" once he/she is on school property: a school bus, the student parking lot, the area where buses park, and/or in the school building itself.

ATTENDANCE

Class attendance and participation are critical elements of the education process. Students are expected to be at school on time and to be present at the scheduled starting time for each class. A student may have **5 absences excused with parent notes each semester**. If a student fails to bring a parent note when he returns to school or exceeds five absences with a parent note, the absence will be considered unexcused. **If a student accumulates more than four unexcused absences during a semester, the student will submit an appeal to the principal and is in danger of failing due to attendance.** Attendance is taken daily in each class period. Parents will be notified by letter or phone call after the 3rd, 6th, and 10th absences. If you are absent 4 consecutive days, call Mr. Terry Reinhardt, Attendance Operator at 704-736-9453. State policy requires a student be dropped from the roll after 10 consecutive absences without a determination

of the reason for the absence. **A student who checks out before the end of class must be present for sixty minutes of instructional time or will be counted absent.**

CHECK OUTS

Once a student has arrived on school property, he/she must check out before leaving campus. **If a student has a doctor or dental appointment, or needs to check out for any other reason, he/she must present a note to the receptionist in the main office upon arrival at school (by 10:00 a.m.) The note must be signed by a parent or guardian and state the specific reason(s) for checking out. If a student needs to check out but did not bring a note, the parent or guardian must come into the office to check the student out. The school will not accept phone calls to check students out. Only in cases of emergency illness should students come to the office to check out after first period begins. Before leaving, the parent or guardian will be called to verify the check out. Students who frequently request to check out will be required to have a parent conference with the SST to ascertain the nature of the circumstances requiring frequent check outs. It is our intention to limit late arrivals and checkouts, especially the checking out of school at 2:30, to necessary circumstances.** Good attendance is essential at school if a student is to do well. It should be the aim of every student to be present in class each day possible. Good attendance will certainly improve grades and, more importantly, the student's understanding of the material being covered.

Checking out for lunch is not permitted.

To be counted present in the class, the student must be in attendance for sixty minutes. Students who leave campus without properly checking out will receive one day of ISS for the first offense and OSS at the administration's discretion for additional offenses.

EXAM EXEMPTION

In order to encourage excellent attendance, a student may be exempt from teacher-made exams if he/she meets the following qualifications:

- "A" average at the end of the grading period, four or fewer absences, and no more than four tardies for the semester.
- "B" average at the end of the grading period, three or fewer absences, and no more than three tardies for the semester.
- "C" average at the end of the grading period, two or fewer absences, and no more than two tardies for the semester.

- **If a student meets the above qualifications and desires to take the exam, the exam may improve but not lower his final grade.**
- **The issue of excused vs. unexcused absences is not considered in determining exam exemption. The number of absences, regardless of reason, and the cumulative number of tardies are the qualifying factors for exemption.**
- **ISS or OSS will count as an absence for the exam exemption policy.**

- **End-of-course tests, N.C. Final tests, and Vocational Competency Achievement Tracking System (VOCATS) tests that are required by the state may not be exempted.**

HALL PASSES

All students must have a hall pass to be in areas other than the classrooms. This applies to Student Council members, annual staff members, peer mediators, peer tutors, students with early dismissal permission and any other student who finds it necessary to enter the halls during class time. **(One Student Per Pass)**

UNAUTHORIZED AREAS

Students are not to be in unauthorized areas at any time without permission.

Unauthorized areas include:

- Students are not permitted in the building before 7:30 a.m.
- While we are practicing social distancing, students must report directly to first period when they arrive at school. When we return to regular classes, students must remain in the cafeteria or commons area from 7:30 a.m. until 7:50 a.m. unless they have a note from a teacher for tutoring.
- **Students are not allowed outside the building between 7:50 a.m. and 3:00 p.m. unless directed by a staff member.** This includes exiting the building as a quicker route to your next class. For example, exiting at the cafeteria door to go to the band room.
- **All areas of the building except the cafeteria or patio, are considered unauthorized areas during lunches unless the student has a written pass. Students are not permitted to eat in classrooms or hallways.**
- Students are not permitted inside the building after 3:15 p.m. unless they are participating in a supervised activity.
 - Students are not permitted outside the building once school has started unless it is a class activity. Students are not to exit outside the building as shortcuts to their next class.
 - **Students are not permitted to congregate in the parking lot before or after school. Additionally, students are not permitted to go to the parking lot during the school day without permission of a staff member.**

FOOD ON CAMPUS

All food and/or beverages should remain in the cafeteria and patio area during lunches. All students will be required to eat lunch in the cafeteria. For students' convenience, drink and snack machines are located in the Gym Locker Room Hall and in other areas of the school for those who want snacks during break or after school. **According to Federal law, vending/snack machines cannot be used until after the last lunch has been served (1:20 p.m.)**
Students are not allowed to use the vending machines or microwaves in the Teacher Workrooms or the Office. Violators will face the following penalties:

1st Offense: A minimum of one period of ISS.

2nd Offense: One day of ISS.

3rd Offense: One day of OSS.

The administration reserves the right to cut off the snack machines at any time if students fail to respect the West Lincoln campus. **No food or drinks will be permitted in the computer labs or library. Food and drinks in classrooms during the class period unless it is part of a class lesson. No food can be delivered to students during the school day.**

PROM AND DANCE ATTENDANCE & DRESS CODE

Attending the prom is a privilege reserved for juniors and seniors currently enrolled in West Lincoln High School. Tickets will not be sold at the door and refunds will not be given less than one week prior to the prom. Juniors and seniors may invite a guest to the prom, but the guest must be either currently enrolled in high school (grades 9-12) or a high school graduate/equivalent no older than 20 years of age. **All students and guests must be approved by the administration and a picture ID will be required for all guests. Students eligible to attend the prom may not have violations of the following during the current school year: Drugs and Alcohol (LCS Board Policy 4325), Assaults, Threats, and Harassment (LCS Board Policy 4331), Weapons, Bomb Threats, Terrorist Threats, Clear Threats to Safety (LCS Board Policy 4333), and Criminal Behavior (LCS Board Policy 4335). Students who are serving a suspension on the prom date are also unable to attend the prom. All outstanding fees must be reconciled with the school before a student will be permitted to purchase a prom ticket.**

All rules, policies and dress codes apply in addition to the following:

- Strapless gowns are acceptable
- Open-back gowns no lower than the bottom of the rib cage are acceptable
- Slits must meet "finger-tip rule"
- All attire must be appropriate and in good taste

VISITORS TO THE WEST LINCOLN CAMPUS

A. Parents are always welcome at West Lincoln High School. We ask that you call the office to make an appointment to see an administrator or teacher, or to visit a classroom.

B. The school policy is to accept only those visitors who have legitimate business at the school. Personal visits by former students are not permitted during the school day.

C. **ALL VISITORS MUST REPORT TO THE MAIN OFFICE FIRST TO RECEIVE A VISITOR'S PASS.**

D. All visitors must park in the visitor's lot. Visitors will not be issued a pass unless permission is granted by one of the administrators.

F. Visitor passes will not be issued during examinations, the competency test, other testing periods, and any other times during which an administrator deems it inappropriate to issue a pass. **AN ADMINISTRATOR MAY REFUSE TO ISSUE A VISITOR'S PASS ANY TIME HE FEELS IT IS IN THE BEST INTEREST OF THE SCHOOL TO DO SO.**

G. Any person found on the school grounds without permission is trespassing and subject to arrest by authorities. Students are cautioned that unauthorized visitors (those who do not have permission from the administration) to campus are trespassing and will be subject to arrest and prosecution. Please caution your friends that they are not to be on campus during the school day without permission.

H. Students are **not allowed** to have visitors during lunch periods.

WEST LINCOLN STUDENTS AT OTHER SCHOOLS

West Lincoln students are **not** permitted on another campus during the school day. Students with legitimate business at another school are required to obtain a visitor's pass from the office of that school. Drivers who pick up students at another school in the mornings or afternoons are not to leave, nor allow passengers to get out of their car on another campus until the students at that school are dismissed. Anyone entering another school building without permission is subject to prosecution for trespass. This policy applies especially during exam days at the end of each term.

USE OF RESOURCE OFFICER AT WEST LINCOLN HIGH SCHOOL

The Resource Officer in the school is primarily for preventative measures and it is the philosophy and belief of the administration of West Lincoln High School that the responsibility for dealing with student discipline violations rests with us. Thus, we will make every effort to handle such problems in-house, according to the policies and procedures established by the school board. However, when violations of state law or local ordinances occur, or where the security of persons or property appears to be in jeopardy, we will not hesitate to initiate arrest and prosecution proceedings. **The Resource Officer will also have the authority to issue citations to anyone who violates parking or on campus speed limits.**

CARE OF BUILDING, GROUNDS, AND PERSONAL PROPERTY

We feel it is a matter of personal and school pride that each and every student make a commitment to do everything possible so that the appearance of our school and grounds expresses a positive message to everyone who drives by or who visits the campus. This commitment includes using the common sense approach. Students are responsible for proper care of all books, supplies, and furniture supplied by the school. Trash belongs in trash cans, food is to be eaten in designated areas, gum and graffiti have no place on the floors, furniture or walls, and the furniture and equipment in our school are to be treated appropriately. Students who disfigure property, break windows or do other damage to school or other's personal property

WILL BE REQUIRED EITHER TO PAY FOR THE DAMAGE WHICH IS DONE OR REPLACE THE ITEM.

Students should limit items brought to school to those items necessary for school activities. Large sums of money or expensive jewelry should be left at home. **THE ADMINISTRATION IS NOT RESPONSIBLE FOR ITEMS BROUGHT TO SCHOOL WHICH ARE NOT CHECKED IN TO THE MAIN OFFICE AND ARE LOST OR STOLEN.**

While student book bags are allowed on campus, please keep in mind that they are subject to be searched at any time provided the school has reasonable suspicion that an illegal substance, firearm or another student's property might be contained in the book bag.

POSTERS AND ANNOUNCEMENTS

All posters/announcements to be displayed at West Lincoln High School must first be approved by the administration. The individual(s) responsible for the poster/announcement are responsible for removing them. Non-school related announcements can be posted only with the approval of the school administration. No signs or tape should be placed on the outside of the windows at the office entrance where the Rebel mural is. This will damage the mural.

COLLEGE DAYS

College Days allow juniors and seniors to visit college campuses to meet with admissions counselors, take placement tests and visit financial aid advisors. Students must complete a College Day form and turn it in to Mrs. Cable **prior to** the visit. After the visit, students must bring back official documentation from their college visit. **Juniors get 2 college days per year. Seniors get 1 college day per year.**

LIBRARY and COMPUTER LAB POLICIES

The goal of the West Lincoln High School library is to assist students, faculty and staff as they find resources, learn skills, complete assignments, or develop lessons that will help develop lifelong readers.

- Patrons are invited to use the library from 7:30 a.m. until 3:30 p.m. each day. This includes all lunch periods, as well as class periods. Additional times can be arranged with the librarian when there are deadlines for major assignments or research.
- Students who are coming from classes should have a note from the classroom teacher when arriving and a note from the librarian when leaving.
- A student assistant at the circulation desk will help students check out their selections, and a drop box is available for returning books to the library.
- Materials may be checked out for a period of three weeks, but additional time can be given if needed. Bring the materials to the circulation desk, and the librarian will work with you to determine how much additional time is needed.

- **Students should not bring food, drinks or book bags to the library or computer lab.**

MEDICINE

Any prescription or over-the-counter medicines brought to school by a student must be accompanied by a form completed by the student's physician, stored in a properly labeled container, and left in the school office with Mrs. Howard for dispensing. Disciplinary consequences will be imposed on students who have medicines or non-prescription drugs without proper notification.

LOCKERS

Lockers are assigned by second period teachers upon request and are located at students' second period classes. Students should not use lockers that are not assigned to them. **Students are responsible for the contents and condition of the lockers assigned to them.** Please remember that the lockers in the building, although "occupied" by a student, remain the property of West Lincoln High School and may be searched at any time the administration has a reasonable suspicion. West Lincoln High School is not responsible for items taken from student lockers. School locks will be provided by WLHS free of charge. **Students will be charged \$5.00 for lost locks. No personal locks will be permitted. Locks other than school provided locks will be cut off.**

SAFETY DRILLS

The staff and administration will conduct monthly Fire drills, and Lockdown and Tornado drills as needed. Upon hearing the alarm signals or drill announcement, students should follow the instructions of teachers or staff members. It is essential that students, comply with these directions in a quick and orderly manner. During fire drills, students are to remain at least 50 feet from the building until the signal is given to re-enter. No student should block roads or driveways. No one is to return to the building until the all clear signal is given by the principal or his authorized representative.

STUDENT PARKING

Due to NC Transportation Law, there will be NO ATHLETIC PARKING OR PARKING OF ANY KIND IN THE BUS LOT. N.C. Law states that student parking areas cannot intersect with BUS LOADING and UNLOADING areas on campus. PARKING IN THESE AREAS WILL RESULT IN THE TOWING OF YOUR VEHICLE, THE REMOVAL OF YOUR PARKING PRIVILEGES AND CAN RESULT IN A FINE FOR YOU AND THE SCHOOL.

Students parking on school property is a privilege. Certain conditions are attached to that privilege. Students who fail to uphold these conditions will be subject to disciplinary action/loss of parking permit. The conditions are as follows:

- Students must present a completed parking contract to register any vehicle they intend to drive to school. Upon registry, a parking permit will be issued.
- Students are to obey all traffic signals, signs, and markings on campus.
- Students are not to litter in the parking lot.

- Failure to have a parking tag will result in a fine.
- Speeding or reckless driving is prohibited. The posted 15 MPH speed limit will be enforced. Officer Stephen Baxter, WLHS School Resource Officer or WLHS Security Officers, will have the authority to write citations for violations.
- **Any citation or arrest issued by a law enforcement officer on or about the school campus, traveling to or from LCST, or possession of alcohol or any controlled substance will result in an immediate 30-day or more suspension of parking privileges and a school fine in addition to disciplinary consequences stated in this handbook.**
- **No student is allowed in the parking lot during the school day without a note from the office.**

Spread the word that with West Lincoln
Honor, glory will abide.**
