learning**

Dear Parent/Guardian:

We know that learning can happen anyplace at any time. As we strive to provide a safe and developmentally appropriate learning environment for our students, we are partnering with **Imagine Learning**. Your student is currently using the following program(s):

- € Imagine Language & Literacy
- € Imagine Math
- € Imagine Espanol

Your child can log in and continue learning while outside of the classroom with this program. To get started, please visit this website, [www.imaginelearning.com/at-home](http://www.imaginelearning.com/at-home) and watch the quick introduction videos—available in English and Spanish. You can also download the parent letter (available in various languages) with brief log-in details.

If you have questions or need help, feel free to reach out directly to **Imagine Learning's Customer Care Team**:
