

Greetings from ESL!

My name is Angela Herd and I serve your students by helping them learn and practice English to become more successful in class.

I serve 5 schools in Lincoln County:

- North Lincoln High School
- North Lincoln Middle School
- Pumpkin Center Intermediate
- Pumpkin Center Primary
- Iron Station Elementary

The best way to contact me is through email: angela.herd@lincoln.k12.nc.us

I will be setting up a Remind App text link soon. You may also contact the ESL Center if you have questions about students or school. The ESL Center can help you:

- Schedule a conference with a teacher
- Explain documents that your child brings home
- Find resources in the community for your students benefit

You can contact the ESL Center here:

Soon you will receive a Parent Notification of EL Services. This is a document stating that an LEP Plan is being created for your student. The plan will talk about ways in which your school will help your child learn. You can add your input for the LEP plan by looking at the accommodations and modifications your student may have in class and during testing. If you have questions, concerns or changes that need to be made, please contact me or the ESL Center.

Not all students will be pulled out of class. Some students may be 'consultative'. This means that their English is good and it may be better for them to stay in their regular classroom than to be pulled for services. Consultative students will still be considered English Language Learners until they meet language guidelines that can be found in WIDA.

I look forward to working with you to help your student be successful this year. If you have any questions, please feel free to contact me.

Sincerely,

Angela Herd
