

Meet Mrs. Hart

Welcome First Graders!

I love working here at St. James Elementary! This will be my seventh year at SJES. I have taught kindergarten through 4th grade and have tutored students k-12th. Teaching is one of my passions! I enjoy seeing kids grow and working with parents. I believe education is a team process.

My family is made up of my husband, my six children, one is a daughter-in-law and one is a son-in-law. I consider them my kids! Our family dog is Reeses named after a Reese Peanut Butter Cup! As a family, we love to play games, enjoy good meals together, go on walks, run 5K's, and catch up over a Starbucks coffee (my favorite is a hot skinny vanilla latte made with almond milk and sugar free vanilla). As you can see I am a little bit of a coffee snob! I love to go church, read, go to the library, go for long walks, play soccer, eat healthy, health coach and spend time with my family and friends. I look forward to learning about you and your family!

We have a WONDERFUL year ahead of us! Our classroom theme will be the Australian Outback so..... watch out for kangaroos crossing.

I am so excited!!!!

The adventures awaits.....

IN OUR FIRST GRADE CLASS WE WILL...

1. Listen to Mrs. Hart read a lot of awesome stories aloud. (It's one of her all time favorite things to do with the whole class.)
2. Focus on Saxon Phonics and grow leaps and bounds in our ability to read.
3. Represent and solve addition and subtraction word problems up to the number 20, count up to 150 from any number, understand place value through the tens digit, compare length of objects, tell time in hours and half-hours, identify coins and their value, explore and identify two dimensional shapes and so much more!
4. Study community helpers and famous Americans who helped society.
5. Study the moon, force and motion, magnets, rocks and much more! Science is so much fun in first grade!
6. Play and have fun on the playground!
7. Learn about friendships.
8. We will go on field trips.
9. We will work hard and always try our very best in everything we do.
10. We will treat others the way we want to be treated.
