

# MEET THE teacher

## About Me

My name is Ms. Peeler and I am ecstatic to be your child's 1st grade teacher this year!! Although this school year will be different, it will be filled with LOTS of learning and new adventures! I graduated from Appalachian State and love App State Football. In September, my husband (Cody) and I will be having twin girls. I love spending time with my border collie (Wrangler), reading, and being on the lake with my family. While I am out on maternity leave, Mrs. Anderson and Mrs. Grantham will be here. Mrs. Anderson is a retired RSES Kindergarten teacher and Mrs. Grantham worked here last year as an intervention specialist. The students will be in fantastic hands and I cannot wait to see how much growth they make while I am on maternity leave!
