

# How To Log Into ClassLink

1. From the Rock Springs website ([www.lcsnc.org/rses](http://www.lcsnc.org/rses)) or the Lincoln County Schools website ([www.lcsnc.org](http://www.lcsnc.org)), click on the ClassLink icon in the left hand toolbar.

\*If you are on an iPad, open the QuickCard by ClassLink app (more info about the QuickCard by ClassLink app is below).

2. You will be prompted for your username and password. This information can be found on a label inside your student's planner. If you do not see a label in the planner, please reach out to your child's teacher to get this information.

*If your home device has a camera, the QuickCard can be used. Once on ClassLink, instead of typing in the username and password, click on the QuickCard icon. Hold the QuickCard in front of the camera to log in.*

3. The first time you log in on a device, you may need to type in your email address or confirm your email address. Student email addresses are typically:

firstname.lastname@students.lincoln.k12.nc.us

4. Once logged in, you will see icons for the apps/websites we use at Rock Springs. Going to the app/website from Classlink allows for students to be automatically logged into the app/website.

## iPad Directions

- If you are on an iPad, download the QuickCard by ClassLink app.
- Once the app opens, scan your QuickCard. If you do not have a copy of your child's QuickCard, your child's teacher can provide one.
