HR USE ONLY: ___ CRIM
 ___ NCOR
 ___ SS

Thank you for your interest to serve as a school volunteer for Lincoln County Schools. Lincoln County Schools recognizes the contributions that school volunteers can make to the learning process and educational goals of the school district. Instructional programs are enhanced through the participation of community members, local business and industry, and parents. Volunteers contribute time, resources, and expertise to help ensure educational success for all students.

According to Lincoln County Board of Education Policy #5015, School Volunteers, Lincoln County Schools is required to "perform adequate screening of volunteers based upon the amount of contact they will have with students", as well as a complete criminal background screening to help ensure that students are safe in a school environment. The criminal background screening is crucial due to the vulnerability of the school-aged population we serve. We appreciate your support and understanding in providing an appropriate environment for our students
