

(c) through (e) Repealed by Session Laws 2015-241, s. 8A.6(a), effective July 1, 2015.

(f) The State Board shall act within 60 days of receipt of all requests for waivers under this section.

(g) The State Board shall, on a regular basis, review all waivers it has granted to determine whether any rules should be repealed or modified or whether the Board should recommend to the General Assembly the repeal or modification of any laws.

(h) By October 15 of each year, the State Board shall report to the Joint Legislative Education Oversight Committee with a list of the specific waivers granted to each local board of education under this section. The State Board may include any legislative recommendations identified under subsection (g) of this section in its report. (1995 (Reg. Sess., 1996), c. 716, s. 3; 1999-237, s. 8.25(b); 2006-153, s. 2; 2011-145, s. 7.13(h); 2011-391, s. 14(b); 2013-360, s. 9.7(a); 2015-241, s. 8A.6(a).)

§ 115C-105.27. Development and approval of school improvement plans.

(a) **School Improvement Team.** – The principal of each school, representatives of the assistant principals, instructional personnel, instructional support personnel, and teacher assistants assigned to the school building, and parents of children enrolled in the school shall constitute a school improvement team. The team shall develop a school improvement plan to improve student performance.

Representatives of the assistant principals, instructional personnel, instructional support personnel, and teacher assistants shall be elected by their respective groups by secret ballot.

Unless the local board of education has adopted an election policy, parents shall be elected by parents of children enrolled in the school in an election conducted by the parent and teacher organization of the school or, if none exists, by the largest organization of parents formed for this purpose. Parents serving on school improvement teams shall reflect the racial and socioeconomic composition of the students enrolled in that school and shall not be members of the building-level staff.

Parental involvement is a critical component of school success and positive student achievement; therefore, it is the intent of the General Assembly that parents, along with teachers, have a substantial role in developing school improvement plans. To this end, school improvement team meetings shall be held at a convenient time to assure substantial parent participation.

(a1) **Open Meetings.** – School improvement team meetings are subject to the open meetings requirements of Article 33C of Chapter 143 of the General Statutes. Deliberations on the school safety components of the plan shall be in closed session in accordance with G.S. 143-318.11(a)(8). The principal shall ensure that these requirements are met.

(a2) **Public Records.** – The school improvement plan, except for the school safety components of the plan, is a public record subject to Chapter 132 of the General Statutes and shall be posted on the school Web site. The names of the members of the school improvement team, their positions, and the date of their election to the school improvement team shall also be posted on the Web site.

The school safety components of the plan are not public records subject to Chapter 132 of the General Statutes.

(b) **School Improvement Plan.** – In order to improve student performance, the school improvement team at each school shall develop a school improvement plan that takes into consideration the annual performance goal for that school that is set by the State Board under

G.S. 115C-105.35 and the goals set out in the mission statement for the public schools adopted by the State Board of Education. All school improvement plans shall be, to the greatest extent possible, data-driven. School improvement teams shall use the Education Value-Added Assessment System (EVAAS) or a compatible and comparable system approved by the State Board of Education to (i) analyze student data and identify root causes for problems, (ii) determine actions to address them, and (iii) appropriately place students in courses such as Algebra I. School improvement plans shall contain clear, unambiguous targets, explicit indicators and actual measures, and expeditious time frames for meeting the measurement standards.

The strategies for improving student performance:

- (1) Shall include a plan for the use of staff development funds that may be made available to the school by the local board of education to implement the school improvement plan. The plan may provide that a portion of these funds is used for mentor training and for release time and substitute teachers while mentors and teachers mentored are meeting;
- (1a) Repealed by Session Laws 2012-142, s. 7A.1(c), effective July 2, 2012.
- (2) Shall include a plan to address school safety and discipline concerns;
- (3) May include a decision to use State funds in accordance with G.S. 115C-105.25;
- (4) Shall include a plan that specifies the effective instructional practices and methods to be used to improve the academic performance of students identified as at risk of academic failure or at risk of dropping out of school;
- (5) May include requests for waivers of State laws, rules, or policies for that school. A request for a waiver shall meet the requirements of G.S. 115C-105.26;
- (6) Shall include a plan to provide a duty-free lunch period for every teacher on a daily basis or as otherwise approved by the school improvement team; and
- (7) Shall include a plan to provide duty-free instructional planning time for every teacher under G.S. 115C-301.1, with the goal of providing an average of at least five hours of planning time per week; [and]
- (8) Shall include a plan to identify and eliminate unnecessary and redundant reporting requirements for teachers and, to the extent practicable, streamline the school's reporting system and procedures, including requiring forms and reports to be in electronic form when possible and incorporating relevant documents into the student accessible components of the Instructional Improvement System.

(c) School Vote on the Plan. – Support among affected staff members is essential to successful implementation of a school improvement plan to address improved student performance at that school. The principal of the school shall present the proposed school improvement plan to all of the principals, assistant principals, instructional personnel, instructional support personnel, and teacher assistants assigned to the school building for their review and vote. The vote shall be by secret ballot. The principal shall submit the school improvement plan to the local board of education only if the proposed school improvement plan has the approval of a majority of the staff who voted on the plan.

(c1) Consideration of the School Safety Components of the Plan. – The superintendent shall review the school safety components of the school improvement plans and make written

recommendations on them to the local board of education. Prior to a vote to accept a school's improvement plan in accordance with G.S. 115C-105.27(d), the local board of education shall review the school safety components of the plan for that school in closed session. The board shall make findings on the safety components of the plan. Neither the safety components of the plan nor the board's findings on the safety components of the plan shall be set out in the minutes of the board.

(d) Adoption of the Plan. – The local board of education shall accept or reject the school improvement plan. The local board shall not make any substantive changes in any school improvement plan that it accepts. If the local board rejects a school improvement plan, the local board shall state with specificity its reasons for rejecting the plan; the school improvement team may then prepare another plan, present it to the principals, assistant principals, instructional personnel, instructional support personnel, and teacher assistants assigned to the school building for a vote, and submit it to the local board to accept or reject. If no school improvement plan is accepted for a school within 60 days after its initial submission to the local board, the school or the local board may ask to use the process to resolve disagreements recommended in the guidelines developed by the State Board under G.S. 115C-105.20(b)(5). If this request is made, both the school and local board shall participate in the process to resolve disagreements. If there is no request to use that process, then the local board may develop a school improvement plan for the school. The General Assembly urges the local board to utilize the school's proposed school improvement plan to the maximum extent possible when developing such a plan.

(e) Effective Period of the Plan. – A school improvement plan shall remain in effect for no more than two years; however, the school improvement team may amend the plan as often as is necessary or appropriate. If, at any time, any part of a school improvement plan becomes unlawful or the local board finds that a school improvement plan is impeding student performance at a school, the local board may vacate the relevant portion of the plan and may direct the school to revise that portion. The procedures set out in this subsection shall apply to amendments and revisions to school improvement plans.

(f) Elimination of Other Unnecessary Plans. – If a local board of education finds that a school improvement plan adequately covers another plan that the local school administrative unit is otherwise required to prepare, the local school administrative unit shall not be required to prepare an additional plan on the matter.

(g) Compliance With Requirements. – Any employee, parent, or other interested individual or organization is encouraged to notify the principal of any concerns regarding compliance with this section. In addition, any employee, parent, or other interested individual or organization may submit in writing to the superintendent concerns regarding compliance with this section. The superintendent shall make a good-faith effort to investigate the concern. The superintendent shall upon request provide a written response to the concern. (1989, c. 778, s. 3; 1991 (Reg. Sess., 1992), c. 900, s. 75.1(b); 1993, c. 38, s. 1; c. 263, s. 2; c. 321, s. 144.2(b); 1995, c. 272, s. 3; c. 450, s. 13; 1995 (Reg.
