

Autobiographical Poem

Erika

Friendly, Motivated, Short, Educated

Daughter of Eric and Cindy; Sister of Anna

Lover of family, the Panthers and movies

Who feels inspired, encouraged and awesome

Who finds happiness in coaching cheer, sleeping and Netflix

Who needs summer, to be loved, and a long break

Who gives advice, a shoulder to cry on, and hugs

Who fears heights, the dark and blood

Who would like to see Paris, London, and Italy

Who enjoys iced coffee, traveling, and reading

Who likes to wear leggings, big hoodies, and hats

"Train your mind to see the good in every situation." -Unknown

Taylor
