SIT REP:

Beth attended the SIT meeting. Fundraising opportunities that were approved are: LKN Repair, Ink recycling and Holiday Wreaths. Waiting to find out the date for the 5K before that will be approved.

DEPARTMENT WISHLISTS:

The Science Department is seeking scales. Beth is working with Susan Townsend to determine if the replacement ones she found on Amazon would work for the group. Looking to purchase 10 total @ \$15 each = \$150. Beth will send out an email for approval once the replacement is confirmed.

The Social Studies Department is asking for bulbs for smart boards. 6 bulbs @ between \$52-90 each. Waiting on more info on parts before seeking approval.

The batteries for the Science Department were ordered on Amazon and shipped to the school.

Lindsey Fier with the media center is asking for 9 rolls of Dry Erase Contact Paper (15 feet each roll). \$19.97 each. With a 10% coupon on Amazon it would bring it around \$160. Beth will be following up with Lindsey on the amount of rolls and then will email out for approval.
