

## SIT Minutes

### October 11, 2023

#### Indistar Review

- A1.01 Rigor (District Team this was a focus). Are we meeting this task? Mrs. Bess...Halloween Games
- A1.03 NASOT Elements...Are we making a conscious effort to incorporate these daily? Did you look at the graph from the last SMORE? What do we need to do for the next steps?
- A1.04 Role of Coaches...Grade level representative for math/literacy. Meet at least monthly. Discuss how we are progressing in problems of practice...fluency and academic vocabulary. Presentations based on information from the meetings.
- A2.22 Differentiation...PDP goal and also a focus from the last District Round. How is this being addressed? What are you doing? Share time.
- A2.26 Data Dives are taking place. At the AIMS conference, I saw a spreadsheet that used the Check-in Data to project the EOG score. Do we need to look at modifications?
- A3.09 Reading...How are we doing with the new curriculum? What do you need to be successful to grow our reading proficiency?
- A4.02 Collaboration with EC (discuss IEP goals with Reg. Ed) How are we combining the CORE instruction with differentiation. CORE does not go away. LETRS, Letterland, SPIRE, all work together.
- A4.06 DESSA make sure you are completing this accurately. We had our first school-based therapy sessions today. She wants feedback from you.
- A4.16 Transition Nights...should we look at some vertical alignment pieces so it is not culture shock when they get to the next grade level. Homework...purposeful and meaningful (NASOT element)
- C2.01 Data...Performance Matters. Looking at data and how we are making sure that we are meeting the needs of our students.
- D1.02 Resources...Ed Foundation Grant \$2,000...what are the needs? Newsela...\$5,000? Is it being used and is it beneficial?
- E2.04 Blue Jay Buddies...names of 3rd, 4th, and 5th, grade students that could use a mentor and that parents would agree to it. I currently have 12 trained mentors.
