

**SIT Meeting**  
**1/17/2024**

- **A.1.01 Walkthroughs and Rounds**  
Data for Fluency (Math and Vocabulary Instruction Across Content Areas...when I did my walks on Monday almost every classroom was discussing vocabulary.
- **A.1.03 Professional Development and Collaboration**  
LETRS Day...talk to your grade level (will try to do it together but may not be able to depending on the day and sub availability)
- **A.1.04 Assess Student Progress**  
Dibels completed by the 26th due to Check-ins starting the next week
- **A3.09 Planning for Differentiation for All Students**  
Peer Observations/Vertical Alignment (Mrs. Wright is working on a sheet)
- **A.4.02 Meeting the needs of SWD students**  
Conversations taking place between EC and Reg. Ed.
- **C.2.01 Looking at School Data**  
Once check-ins and Dibels are completed we will focus on this in PLCs
- **E.2.04 Community Engagement**  
The next Title 1 Night will be in March...looking at math and science)
- **CTE Plan**  
Kendall and Hannah are collaborating with this to ensure all grades are covered as part of our CTE focus for February. Lots of reading and researching about jobs (4th and 5th will have presentations on Feb. 23)
- **Mentor Program (Canvas Class)**  
Want to increase our numbers please talk to your churches, friends, etc. Kendall is putting up the information on our website for easy access
- **Website Updates**  
Making sure personal pages and school page are up to date
- **PBIS Reward**  
Ideas...
- **Chain of Command with Discipline**  
Please make sure the classroom/special area is also contacting parents...when you put something into ed. Handbook make sure you are letting the parent/guardian know.
- **3rd Round of Observations**  
Will be starting

- **Dessa ends Feb. 16**
- **Lesson Plans/Duty Coverage**  
Too many are coming in and saying there are no plans, have at least 1 week of emergency plans that are differentiated by grade level
- **Dibels**  
Complete now...never know who and when sickness will occur
- **Check-ins**  
Starting soon use this data and Dibels in PLCs
- **Staff Outing is tomorrow at 5:00 at Vittles**
- **Issues/Concerns/Questions**
