E. Beall- her classroom blinds won't go all the way down

J. Burgin-

Internal vs External Lockdown--

External- you do not have to cut the lights off and hide..... Just all external doors to the school house are locked and close the blinds.

Internal- lock all doors, cut off lights, hide, close blinds

Third Nine weeks we will put on the calendar the dates of 9 wks testing so we can have the quietest atmosphere for testing.

S. Sandavol-

We need a fence around all the AC units in the playground area. Now that the bushes are trimmed, the students can get into the AC Unit.

If you get an invitation to an EC Meeting- you need to respond to the email. Even if you can not attend the meeting; respond to the sender.

We are still having issues with toys, playing cards, and candy being brought to school. These things can not be brought to school.

Mr. K and Mrs. Hoffman are checking on the smartwatch policy. Some of our students are wearing smart watches to school.

On Fri, Feb. 17 and Mon, Feb. 20 the old computer lab( room 317 )will be cleaned out. If you have personal items in that room, get them out.

Mr. K went for allotments today. The C.O. is working and looking at allotments for next school year. We will be able to replace any employee that retires. There may be more positions as time goes along. We will retain teachers this year for next school year. There will be teacher movements throughout our school building next year. We will get to keep all 5 teacher assistants for General Education classes next year.

Summer School- 2 sites - Childers and Pumpkin Center

Summer School is for 2nd and 3rd graders. Summer school has been scaled back.

Respectfully submitted,
